

The Ice Creamsmith
2295 Dorchester Ave.
Dorchester Lower Mills

Open Daily Noon-10 p.m.
March 1st -Thanksgiving
617-296-8567

ICE CREAM CAKE HINTS:

1. Store cake in freezer, covered or in original box, if possible.
2. Put cake in refrigerator for 15-30 minutes before serving.
3. Cut cake with large, strong knife. It might help to lightly mark top of cake for correct number of cuts.
4. Dip knife frequently into tall glass of water to help prevent sticking. Shake - do not wipe - water off.
5. Keep leftover cake in freezer in covered container, or wrap well.

Note: Sizes 1 and 2 are usually on hand in limited flavors. Special flavors, sizes, shapes, extra flavor layers or "mixin's" must be ordered at least one week in advance.

Cutting Suggestions

Note: Cake illustrations are not to scale.
